

Directions for registration

❶ Click on Register New User.

❷ A page with five tabs will appear. Please fill out the pertinent information under each tab: Login, Contact, Address, Personal, Volunteer.

❸ Once you've completed all required information, please click on Save.

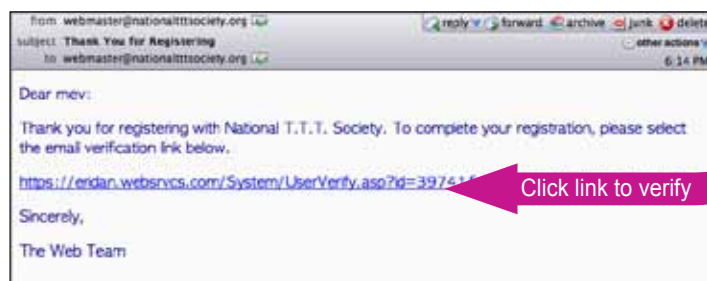

❹ You will know you are finished when you get a message that says: "Thank you for registering."

❺ In just a few minutes, you will receive an e-mail from webmaster@nationaltttsociety.org with the subject line **Thank You for Registering**. You must verify your registration by clicking on the link in the e-mail.

❻ However, you still aren't done!

Membership in T.T.T. must be verified for access to the Member Pages. This is done manually by the National Office or your volunteer webmaster. **Please allow one business day for verification.**

If you are not able to log in after one business day has elapsed, please send a message via the CONTACT US link at the top of the page.

❼ Use your e-mail address as your username and the password you selected. Then click on **MEMBER SECTION** in the left column to access the member-only pages.
